

## Features

### Gourmet Juice® System

- 15" width conserves counter space.
- One dispenser delivering both frozen and ambient products increases profits by lowering costs.
- Drink consistency and quick dispense assured by high-velocity, vortex-injection™ "stay clean" valve design.
- Advanced concentrate pump designed for easy setup, accuracy, and durability.
- Superior sanitation control with added rinse-water valve-port that may be connected to a hot water line.
- Modular dispense and refrigeration systems make servicing simple and fast.
- Frost-free refrigerated compartment holds up to 512 ounces of frozen concentrate.
- Smart electronics prompt for rinsing and provides semi-automatic sanitizing program for easy cleaning.
- Full 2-year parts and labor warranty. 5-year parts and labor warranty on compressor and 3-year warranty on electronics. See the product manual for additional information.
